Sir,-

S.E. ¼ of Sec. 15 Tp. 60, Rge. 7, West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1924, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Sir,-

N.W. ¼ Sec. 28 Tp. 35 Rge. 6 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Referring to your application to enter as an homestead, I beg to inform you that you are entitled to enter for the above described quarter section, subject to the conditions governing homestead entries, which become obligatory upon you if you exercise the right to make a homestead entry for the land.

Therefore, if you wish to enter for the quarter section mentioned in this letter, you may do so at any Dominion Lands Agency, but before doing so you are advised to procure from the Land Office, Calgary, a pamphlet containing information respecting homestead regulations, which will be sent you free of charge on application. Dear Sir;

We are endeavoring to establish the age of my invalid husband, Joseph Bessaponte. He took a homestead which he believes to be the N.W.¼ of Section 35, township 72, range 6 w. sixth meridian close to where Sexsmith is now located, and before the railway was built. He made entry for it at Grand Prairie probably in 1911 or 1912 as he says he disposed of it in 1913 shortly after receiving his title. These dates are not certain as his memory is not very good. Doubtless his age at the time of his application together with birthplace which he does not now know, and other information, is contained in his application. Any information which you can supply will be gratefully received,

Yours truly,

Your File No. 1323, Re. S.W.¼ 25, 83, 22, W.5th M.

Referring to your Return of the 15th ultimo, reporting the location of Military Bounty Land Warrant No. 0880, by Charles C. Lindsay, on this quarter section, which was formerly his homestead, and enclosing the Warrant endorsed in favour of James Homer Johnston, of Edmonton, together with an assignment of the land referred to, in favour of Mr. Lindsay, I beg to call your attention to the fact that Mr. Lindsay was allowed to abandon his homestead in order to locate scrip thereon.

The location of the Warrant in question upon this land should have been reported in the name of James Homer Johnston, who located the Warrant endorsed in his favour. This is not a proxy entry and your records should be corrected accordingly.

The assignment from Mr. Johnston to Mr. Lindsay covering this land, which was enclosed in your Return, cannot be accepted, as it is dated prior to the date of the location of the Warrant, and has been returned to Messrs. Sir:-

23rd April, 1918.

My dear Sir:- Your reference P.M. 55

I have your letter of the 16th instant, in the matter of the estate of the late Charles Roland Kerr, 101464 - 49th Battalion, asking that the issue of the patent for his homestead be deferred until Letters of Administration are received and a copy forwarded to this Department.

You do not furnish a description of the land taken up by the deceased, but it is assumed that this deceased soldier is the same person as the Charles Roland Kerr, who made homestead entry for the South East quarter of Section 27, Township 78, Range 6, West of the 6th Meridian on the 7th of May, 1913. This entrant appears to have enlisted for military service during 1915. The records here do not disclose what his regimental number was, but it seems he was in the 18th Platoon, 3rd Company, 68th Battalion, C.E.F., Edmonton. He made application for patent for his homestead on the 16th of October, 1916, and as the evidence was satisfactory a patent for the quarter-section was issued in his name on the 21st of February, 1918, and was forwarded to the Registrar of the Land Titles Office at Edmonton on the 29th of the same month.

If this patentee is the same party to whom you have reference, it will be necessary for you to communicate with the Registrar at Edmonton, in regard to the deceased's homestead.

Yours sincerely,

Deputy Minister.

Sir,-

¼ S.E. Sec. 21 Tp. 78 Rge. 6 West 6 Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you a homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Sir,-

In reply to your letter of the 9th instant, I would inform you that it is not the practice of the Department to allow an extension of time within which to locate scrips, but however in your case, I will forward your letter to the Department, and will advise you direct, what action they intend to take.

In reply to your second letter dated the 9th instant, I would inform you that if you have completed the duties on your first homestead in time to entitle you to patent before the 1st of June, 1909, you would be entitled to another homestead, otherwise you would not be entitled to another free homestead. But if you are desirous of obtaining a purchased homestead you could do so by obtaining same in the pre-emption area at the rate of $3.00 per acre, the terms being $1.00 per acre down, and the balance in five annual installments, providing you have the patent for your homestead.

Sir,

In reference to your letter of the 1st April last, respecting South African Volunteer Bounty Land Certificate No. 6899, endorsed in favour of Hubert J. Voz on the 5th September, 1911, and which has not been located, I am directed to inform you that the time within which this certificate could be located expired on the 31st December, 1911, and that it cannot now be accepted for entry.

The Volunteer Bounty Act, 1912, a copy of which is enclosed, extends the time up to the 31st December, 1912, in which certificates may be located by the original grantees thereof, or by substitutes appointed after the 1st of January, 1912, but does not extend the time in which certificates endorsed in favour of substitutes prior to the 31st December, 1911, may be located.

ENC.

I am to inform you, however, that if the certificate in question is returned to the Department with a Quit Claim or Release, duly executed in favour of the Minister of the Interior, in the form set out in Schedule "B" and referred to Section 8 of the Volunteer Bounty Act, 1912, the matter will receive consideration.

I am to add that at the present time there is no fund out of which $160.00 may be paid to the grantee or substitute who releases all his rights under a South African Volunteer Bounty Land Certificate. It is proposed, however,

Ref. No. 2014747.

Memorandum : - Ottawa, 8th August, 1912.

I beg to return your Ref. No. 6283, and to report that South African Volunteer Bounty Land Certificate No. 4147, issued to Wheeler L. Leighton, and endorsed in favour of Leonard A. Beard, on the 28th December, 1911, and Certificate No. 6699, issued in favour of Charles Jeffry Alexander Lefroy, endorsed in favour of Hubert J. Voz, on the 5th September, 1911, not having been located prior to the 31st December, 1911, cannot now be accepted for entry. It is difficult to trace the Mr. Clark mentioned in Mr. Patterson's letter, but it is presumed that the same conditions apply to his certificate, and that it could not now be accepted for entry as the Volunteer Bounty Act, 1912, does not extend the time in which certificates endorsed in favour of substitutes prior to the 31st December, 1911, may be located, and the Deputy Minister of Justice to whom the matter was referred, recently advised the Department that substitutes appointed under the Volunteer Bounty Acts before the 1st of January, 1912, whether their appointments have been recorded or not, have now th right to enter for land, but their rights in view of Section 7 of the Volunteer Bounty Act, 1912, are limited to those provide by Sections 5 and 8 of the last mentioned Act.

The only rights, therefore, under these certificates that the substitute now have, are those provided by Section 8 of the Act of 1912, whereby they may be redeemed for $500.00 each, and there is no authority under which Mr. Patterson's request that the certificates be accepted for entry could be considered.

Copies of the Volunteer Bounty Act, 1912 and copies of the Act of 1908 and Chapter 60 of the Statutes of 1910 are attached.

The Deputy Minister

Memorandum:

N. . Coté, Esq., I..O.,
Controller.

By your letter of the 4th ultimo, marked on file hereunder, Mr. Lemuel H. Smyth was advised that he might purchase the N.½ of Fractional Section 16, Township 8, Range 30, west of the 4th Meridian, containing 34 acres at the rate of $10.00 an acre, the sale to be subject to his filing evidence of ownership of the adjoining N.E.¼ of Section 15 of the same township, and the payment of $50.00 for the improvements which are on the said N.½ of Fractional Section 16.

In his letter of the 14th ultimo, Mr. Smyth withdraws his application to purchase this parcel and as Mr. Thomas J. Wright, who claims owners hip of the N.E. of Section 15, Township 8, Range 1, west of the 4th Meridian, shown on the sketch hatched in red, makes application to purchase the same and an Inspector on his report of the 17th ultimo, recommends a sale to Mr. Wright, I beg to recommend that he be permitted to purchase this parcel at the rate of $10.00 an acre.

Copy for Head Office.

Sir:-

I beg to acknowledge receipt of your letter of the 15th instant with reference to your desire to purchase the fractional south west quarter of Section 12, Township 33, Range 16, west of the 4th Meridian, which adjoins your homestead and pre-emption entries on the north half of this section, and in reply to say that there does not appear to be any way in which your wishes can be met. The aforementioned fractional area according to the topographical records of this office contains an area of 133.9 acres, while the fractional north west quarter of Section 1 contains 11.6 acres, making a total of 144.5 acres lying between your land and the lake. This is considerably in excess of the amount usually sold under the regulations governing the disposal of fractional areas.

I am quoting herewith for your information the following clause from the regulations in this connection,-

"In the case of a fractional area of eighty acres or less, the Department may, upon application, sell such area to the homesteader or owner of land lying alongside. In case the applicant is a homesteader, such sale would be made subject to the homesteader earning patent for his homestead. All applications of this character must be referred to Head Office for decision. The above ruling regarding sale of fractional areas does not apply within the railway belt of British Columbia."

Your obedient servant,

Agent.

Gentlemen,-

I beg to acknowledge the receipt of your letter of the 3rd ultimo, informing the Department of the death of Edward Lascombe, who, is is stated, squatted upon the S.E. ¼ of Section 12, Township 7?, Range 10, West of the 5th Meridian, and made substantial improvements, and in reply am to inform you that this quarter section is comprised within Timber Berth No. 1387, and is, therefore, not available for homestead entry.

Under these circumstances, it does not seem that the Legal Representatives of the deceased have any legal claim to the land.

It has been decided, however, to have a careful report made with regard to the residence performed and extent and value of the improvements made, and the Agent of Dominion Lands at Prevard is, therefore, being requested by a copy of this letter to detail a Homestead Inspector to visit the land for the purpose as soon as possible.

Should this report, when received, justify the Departmen in taking action, the permitee will be approached with a view to obtaining his consent to the withdrawal of the land from the Timber Berth and should

The Minister of the Interior, under date 22nd March, 1911, submits, with reference to Orders in Council of the 31st January and 10th March, 1911, authorizing the payment of compensation to certain persons located on the proposed addition to the Cypress Hills Forest Reserve for the surrender of the lands held by them and for the improvements upon the said lands, that in the memorandum on which the said orders were based it was not recommended that the persons whose names were mentioned on the lists accompanying the orders should be given credit, on any new land which they might select, for the duties performed by them on the homestead or pre-emption surrendered, and that where they had earned title to the lands surrendered they should be granted other lands in lieu thereof.

The Minister, therefore, recommends that such credits be given in regard to the persons in question whose names are shown on the following list.

P. C. No. 1346.

The Minister of the Interior, under date 30th May, 1911, submits, with reference to the Order in Council of the 31st January, 1911, authorizing among other things the payment to Mr. G. M. Armstrong of the sum of $370 in payment of the value of his improvements on the south-east quarter of Section 7, Township 8, Range 1, West of the 4th Meridian, that Mr. Armstrong will not agree to surrender this quarter-section and the north-east quarter of section 6 in the same township, which he holds as a pre-emption, unless he is granted letters patent for lands to be selected in lieu thereof. Mr. Armstrong made entry for the lands in question in March, 1908, but has not completed the necessary cultivation to entitle him to letters patent.

The Minister recommends, however, that he be authorized to issue letters patent for a half-section of land to be selected by Mr. Armstrong in lieu of the lands surrendered.

The Committee submit the same for approval.

Sir,-

N.W¼ of Sec. 35, Tp. 33, Rge. 11, West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

The Honourable Charles Stewart,
Minister of the Interior,
O t t a w a.

Sir:

Request for Transfer of Dominion Lands.

Re: Richard H. Poole, No. 696652.
S.E.¼ of 34-22-W-4th M. - S.S.

The above named settler secured advances from the Board totalling $2674, the Board taking a charge upon the unpatented soldier grant above described. Owing to such charge, patent to the soldier grant cannot be issued to the settler until his indebtedness to the Board has been fully discharged.

We are now in receipt of an application from Mr. Poole requesting that patent to his soldier grant should be issued in favour of the Board. Mr. Poole states that he has completed all duties in connection with his soldier grant and would be entitled to receive patent therefor were it not for our charge. This is confirmed by the letter from the Secretary of the Department to the settler, dated the 26th of June last, copy of which is attached hereto.

In order to enable a settler to negotiate a sale of land in cases of this character, special regulations were promulgated by the Board as approved by the Governor in Council on the 4th day of June, 1921 (P.C.1084), which authorize the Minister, on completion of duties by the settler and on the request of the Board, to vest the settler's right, title and interest in the unpatented land held by him in the Board, title remaining in the Board until the settler's indebtedness to it has been repaid. Under the provisions of these regulations, the Board hereby requests that the right, title and interest of His Majesty in the S.E.¼, of 34-22-W-4th M. be vested in the Soldier Settlement Board. The Vesting Order covering same is attached hereto for the Minister's signature.

Respectfully submitted,

[redacted]

Secretary.

Re: Account of John P. Satre
N.W. 25-30-5-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1919 seed grain amounting to $90.00 was advanced to John P. Satre on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$90.00	$207.78	$297.78

The N.W. 25-30-5-W4 was formerly the homestead entry of the debtor on which security he obtained an advance of seed grain in 1919. His entry was later cancelled and is still unalienated Crown land held in the right of the Province.

In reply to our questionnaire of the 19th of May, 1952, J.H. Tedrick, Supervisor, Special Areas, Department of Municipal Affairs, Province of Alberta, wrote as follows:-

"This land is unalienated crown land occupied at present under long term grazing lease. This land is located in that part of the Province designated Special Areas and as such there is little likelihood of same ever being disposed of by sale or utilized for any purpose other than grazing."

The information obtained indicates that the land is unsuitable for farming purposes and no longer offers any security for our advance. Under the circumstances it is recommended that the indebtedness be cancelled.

Memorandum:

Request for transfer of Dominion Lands under Section 27 of the Soldier Settlement Act.

Re: S. Stinson,
S.W.¼ 1-33-7 W.5th - Hsd.

The above described land was secured by this settler under homestead entry. The settler has made default in the terms of his agreement with the Board and abandoned the land. His agreement has been rescinded.

The settler was established with a loan in December, 1919, and in due course secured advances from the Board amounting to $5521.53, as follows: land, $2500; permanent improvements, $370; stock and equipment, $2328.20; special advances, $323.33. As security the Board holds a charge on the settler's homestead. The only other land security in this case is title to the S.W.¼ 32-32-5 W.5th M.

In January 1927, it was reported that the settler intended to abandon his farm. He was visited by the Field Supervisor who tried to persuade the settler to stay with the farm, but without avail. The settler's agreement with the Board was rescinded pursuant to a Quit Claim Deed executed by him on the 4th of February of that year.

The settler's indebtedness amounts to $4304.46. The quarter-section to which we hold title was appraised sometime ago at $2400. The homestead was appraised at that time at $640. No arrangements have been made for the disposal of this land and no offers have been received except for the S.W. quarter of section 32, which has been declined by the Board. The homestead is described as a purely pasture proposition and will be difficult to dispose of as there is so much open range in this part of the country.

The land in question being charged land within the meaning of Section 27 of the Soldier Settlement Act, and the settler being in default with respect to the terms and conditions of his agreement made with the Board, it is hereby requested that the right, title and interest of the said settler in the above land be forfeited and the said right, title and interest of the settler and also the right, title and interest of His Majesty to and in the said charged land be vested in the Board.

The Board has an effective charge on the land under the recent amendment to Section 26 of the Act, as all the advances referred to in the second paragraph hereof were made to the settler subsequent to his entry for his homestead.

A Vesting Order for signature is attached hereto.

S.S.B. File No. 5-1289.

Ottawa,
18th September,
1925.

THE HONOURABLE CHARLES STEWART,
Minister of the Interior,
Ottawa.

SIR:

Request for Issuance of Patent, Lands.

Re: C.W. Virtue, No.187489,
S.E. 1/4 of 17-21-4 W. 4th M.

The above named settler secured advances from the Board totalling $2,875, the Board taking a charge upon his unpatented homestead above described. Owing to such charge, patent to the homestead cannot be issued to the settler until his indebtedness to the Board has been fully discharged.

We are now in receipt of an application from Mr. Virtue requesting that patent to his homestead should be issued in favour of the Board. Mr. Virtue states that he has completed all duties in connection with his homestead and would be entitled to receive patent therefor were it not for our charge. This is confirmed by the letter from the Secretary of the Department to the settler dated the 21st March, 1925.

In order to enable a settler to negotiate a sale of land in cases of this character, special legislation was framed and by the Board as approved by the Governor in Council on the 4th day of June, 1921 (P.C.1041), which enables the Minister, on completion of duties by the settler and on the request of the Board, to vest the settler's right, title and interest in the unpatented land held by him in the Board, title remaining in the Board until the settler's indebtedness to it has been repaid. Under the provisions of these regulations, the Board hereby requests that the right, title and interest of His Majesty in the S.E. 1/4 of 17-21-4 W. 4th be vested in the Soldier Settlement Board. The Vesting Order covering same is attached hereto for the Minister's signature.

Respectfully submitted,

CHAIRMAN.

THE SOLDIER SETTLEMENT BOARD
OF CANADA.

TO WHOM IT MAY CONCERN:

WHEREAS it is provided by the Regulations for the transfer of certain lands to the Board where settlement duties completed, approved by the Governor in Council on the 4th day of June, 1921 (P.C.1321), that in the event of a settler who holds any portion of land on which a charge has been imposed, constituted or created by or under the Soldier Settlement Act, 1919, or the former Act, having complied with the conditions of his entry to entitle him to receive Letters Patent for the land but for the charge imposed upon it as aforesaid, the Minister, at the request of the Board may transfer to the Board the land so held by the settler;

AND WHEREAS C.W.Virtue is a settler within the meaning of the Soldier Settlement Act who holds the N.E.¼ of 17-21-4-W.5th M.;

AND WHEREAS the Soldier Settlement Board of Canada has requested the Minister to transfer the said land to the Board;

NOW KNOW that the undersigned, pursuant to the powers and authorities conferred upon him by the said Section One of the Regulations for the transfer of certain Lands to the Board where Settlement duties Completed, as approved by the Governor in Council on the 4th day of June, 1921 (P.C.1321), declares the right, title and interest of His Majesty in the said land except mines and minerals, whether solid, liquid or gaseous to be vested in the Board.

Dear Sir,- Re - W. ½ 2-55-3 W. 5th

Upon the 26th of August, 1911, we made application for the N. W. ¼ of the above section, and upon the 6th inst., we made application to you for the fractional S. W. ¼ of the said section. We have secured an adandonment from Mr. Henry Ladereute for his interest in the N. W. ¼ of the said section, which falls directly on our right-of-way and station at this point. As pointed out in our letter of the 10th inst., this fractional S. W. ¼ is required by us, in addition to 160 acres at this point, on account of a summer resort which we shall endeavour to establish here. As already explained, it is our intention to try to encourage a very considerable amount of tourist traffic, and in that connection, we wish to secure every possible attraction along this line, and we, therefore, trust that you will permit us to secure the half section referred to. In the meantime, I would request that both of these quarter sections be put under reservation for us.

A copy of this letter is being sent to the Dominion Land Agent at Edmonton.

Sir, Re S. E. ¼ 24--62--24 W. 4th M.,
N. W. ¼ 2--55--3 W. 5th M.

Replying to your letter of the 13th ultimo, I am directed to say that on August 7th, 1912, the Canadian Northern Railway Company remitted $960 in payment of the above lands at $3.00 per acre, for 160 acres in each quarter-section. This payment was, however, applied as follows:-

S. E. ¼ 24--62--24 W. 4th M. containing 159 acres at $3 per acre	$477.00
N. W. ¼ 2--55--3 W. 5th M., containing 112.6 acres at $3 per acre	337.80
S. W. ¼ 2--55--3 W. 5th M., containing 25.7 acres at $3 per acre	77.10
	$891.90.

This leaves an over-payment of $68.10. A refund cheque for $3.00 was forwarded to the Company on January 31st last and another cheque for $65.10 will be forwarded shortly.

The above case was then closed out, but on the 24th ultimo the Company forwarded a cheque for $77.10 in payment for the S. W. ¼ 2--55--3 W. 5th M., which will be refunded shortly, as payment for the W. ½ 2--55--3 W. 5th M. has been made in full, and the patent for the same has been issued.
